FREELANCER DEVELOPER – EOS COINVST LTD – 05/06/2025 – 01/08/2025 – LONDON, UNITED KINGDOM

Designed and developed a professional IT services website showcasing consulting, cybersecurity, cloud computing, infrastructure management, and data analytics solutions.
website link: <https://eoscoinvest.uk/>

MANAGEMENT ASSISTANT / COURSE COORDINATOR – DAMASCENE TEAM – 10/05/2020 – 01/10/2023

Coordinated training courses and managed student schedules. Collaborated with instructors to ensure smooth course delivery. Maintained organized student and course records using Microsoft Excel. Assisted with instructor recruitment and administrative coordination.

PROJECTS

26/05/2024 – 15/08/2024

Barbershop website

Designed and developed a full-stack barbershop services website using ASP.NET Core (C#) for the back-end and SQL Server for data management. Implemented secure data handling for bookings, services, and contact inquiries. Built a responsive front-end using HTML, CSS, and JavaScript, delivering smooth navigation across Home, About, Services, Team, Gallery, and Contact pages. Integrated a dynamic admin workflow to manage service listings and customer interactions, improving usability and demonstrating strong UI/UX design principles.
